FAQ'S AND TERMS & CONDITIONS

WHAT IS ADVANCE BOOKING?

All monthly pass holders now have the opportunity to book 6 weeks in advance. Even if your current monthly pass has expired, or you've used all of your credits, you can still book ahead. When you purchase your next monthly pass any owed sessions will be automatically deducted from this pass.

HOW DOES A BUDDY CREDIT WORK?

Purchasing the 12 class monthly pass, off-peak pass or all access pass gives you 1 x Buddy Credit per month to bring a friend to OPUS.

Your friend will need to register an account with us, and once you let us know who will be joining you we apply the class credit to their account. Ideally they book into a class with you, yet they can book in for any class they wish.
